Theatre Notes

Congratulations to Dan Davis and David Simmons who won a Meritorious *Achievement in Comedic Ensemble Acting Award* from the TANYS adjudicator for *Tuna Texas*. It was a wacky, wild ride with the cast - a couple of very versatile actors playing 11 characters each. What a great show!

LT was able to donate \$450 from *Red, White & Tuna* (in memory of Bob Burkard) to *The Bridge Program*, an alternative to jail for individuals arrested for drug/alcohol related offenses, helping them deal with addiction.

The Acting workshop on Oct. 15 with Dan McDougal was wonderful. Participants honed important tools for performing before any type of audience and practiced concentration skills through improv exercises. It was a fun and exciting for young and old participants.

Look for upcoming details on another workshop from Dan on character development!
